

# WHO IS TRILLIUM HEALTH RESOURCES?

## WHAT ARE TAILORED PLANS?

### KEY INFORMATION TO KNOW

#### Trillium Tailored Plan Starts July 1, 2024.

Trillium will still manage serious mental health, substance use, intellectual/developmental disability, and traumatic brain injury services, just as we do today for those receiving Medicaid or who are uninsured. We will be adding physical health and pharmacy services as well for those receiving Medicaid and placed on the Tailored Plan. [TrilliumHealthResources.org](https://TrilliumHealthResources.org) Sign up on our website to get text messages and/or receive newsletters.

#### How to get services

Trillium will help you access services. However, you can access services directly from any provider in the Trillium network. Visit our website, select "[Members and Recipients](#)," then click the button for "[Benefit Plan Information](#)" for a full list of services available.

#### How to select Tailored Care Management

Tailored Care Management is a service offered to eligible members with special needs. Please call Trillium at 1-877-685-2415 for help selecting your care management provider.

**You have the option to select where you receive care management services:**

- Trillium care managers
- Advanced Medical Home+ (AMH+) staff
- Care Management Agency (CMA)

#### Physical Health Prevention Programs

Trillium shares programs that can help improve the overall health of our members. Public health programs help improve the physical and behavioral health issues experienced in our communities. Some examples of the issues we target include weight management, diabetes, heart health, and childhood health.

For more information on prevention and population health programs, you can visit our website at [bit.ly/3UTt9zt](https://bit.ly/3UTt9zt).

#### How to choose a provider

**There are three ways you can choose a provider, specialist, or subspecialist:**

- Visit [TrilliumHealthResources.org](https://TrilliumHealthResources.org), select the "Find a Provider" button at the top of the screen
- Call Trillium at 1-877-685-2415 to ask for help in finding a provider or to ask for a printed directory.
- Visit a provider of your choice in Trillium's network who will then contact Trillium to determine if services are covered.

#### NC Medicaid Ombudsman Program

The Ombudsman Program is a neutral third party that educates members on their rights, answers questions about processes within the system, and works with appropriate agencies with resolutions of complaints and grievances.
