OUTREACH EFFORTS TO VERIFY THE ACCURACY OF TRILLIUM'S PROVIDER DIRECTORY

Trillium is beginning our outreach efforts to verify the accuracy of Trillium's Provider Directory as required for our NCQA accreditation. Randomly selected providers will receive an email that contains a screen shot of their Trillium Provider Directory listing. We are requesting that the provider click the link to verify their directory information is accurate by answering 4 short questions. The email is sent from TrilliumProviderDirectory@TrilliumNC.org.
